

PURPOSE BEYOND PROFIT FOR BEST LEADERSHIP

BOOKS

Ozlem Brooke Erol's book *Create a Life You Love* is a collection of many articles written as she went through her own journey of personal growth to create her best life. The book she co-authored, *From Hierarchy to High Performance* where she has a chapter about Purpose beyond Profit for organizations, became an Amazon International Bestseller. She has two other books she contributed.

OZLEM BROOKE EROL

She is a passionate advocate of new kind of leadership that is more human, work environments that enhance creativity and innovation where people can bring their whole selves to work. She has proven over and over again through her consultancy work that organizations with a foundation of a true purpose beyond profit create results that benefit all stakeholders. It is what our world needs now. She has extensive experience in the corporate world holding VP positions and also as an entrepreneur. She speaks all around in the United States and in Europe at big conferences as well as intimate group settings.
